

CWA/IBEW BARGAINING TAPE MESSAGE

Thursday, November 29, 2007

Bargaining resumed this morning in Rye, New York. While waiting for the Company to provide the balance of our requested information, the Union presented some of our proposals. This process continued into the afternoon sessions until the parties recessed to the evening.

The Union and Company will resume negotiations tomorrow morning, Friday, November 30, 2007.

Another report will be issued at the end of tomorrows talks.
